Re: Chambliss for Senate October Quarterly Report (8/1/02 – 9/30/02)

Dear Mr. Whyrick:

This letter is in response to your letter of December 26, 2002 regarding the October Quarterly Chambliss for Senate FEC report. I have addressed each of your inquiries separately below:

- 1) Attached please find supplement and amended identification information of individuals for Schedule A pages. Some of the information was in the computer but was entered into the wrong field. Other information was found through phone calls and e-mails.
- 2) Attached please find information for Schedule B pages clarifying "purpose" descriptions for disbursements that were included in the October Quarterly Report.
- 3) Attached please find information for Schedule B pages listing those vendors that were paid by an individual for goods or services and whose aggregate payments were in excess of \$200. Itemization is not necessary for other individuals that are not listed here.
- 4) We did receive contributions from Warner-Nickles Committee 2002. These contributions are permissible and were recorded as described by law.
- 5) Attached please find information for Schedule A pages in which possible excessive contributions were in question. One in question was a matter of father and son. Several in question were the result of data entry/software problems, in which an individual appeared in the data system twice. In those instances records were merged and contributions were attributed to the appropriate election cycle.
